WypAll® Teri X60 Dispenser Box Wiper - 12 x 17"

Absorbent and reinforced to stay strong for cleaning performance in light duty tasks; they absorb water faster than rags.

Each white commercial paper towel measures 12.5" x 16.8" and dispenses one at a time from the large Brag Box. These lightweight cloths contain no adhesives or binders, yet they hold together and don't leave residues behind. To create an effective general purpose industrial cloth, WypAll combined proprietary HydroKnit fast absorbing technology with reinforced structure. You get durability at a great value.
